

## Using cocoon with your Kapoochi baby carry pouch.

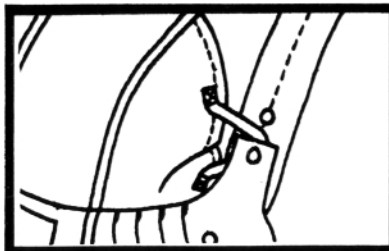

1. Release snaps and zip down centre flap.

2. With baby already held in carry pouch, tuck babies feet into cocoon and ease cocoon up over baby.

3. Snap cocoon onto the outside of shoulder straps.

4. To form hood, connect snaps through tabs on head area.

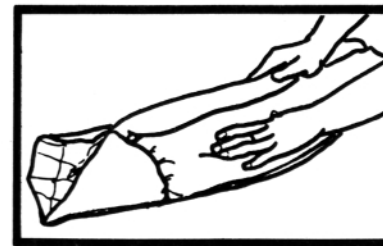

## Using your cocoon as a pram bag

Simply zip up centre flap and fasten snaps back inside cocoon.

CAUTION: Not designed as a sleeping bag. Do not leave baby unattended.

## Rolling your cocoon into a carry pack

1. Lay cocoon out flat and fold sides towards centre.

2. Fold baby twice towards hood and connect snap tabs through hood tabs. Use same snap tabs to attach to back of carry pouch.
